Remarks

Beautifully updated colonial located on picture-perfect and quiet neighborhood side street! Large fireplaced family room off the open eat-in kitchen. The kitchen is well designed with white inset door cabinets, granite counters and generous eating area. There is a large front to back living room with a fireplace and bookcases, which currently is furnished as an entertainment sized dining room. Central air and hard-to-find two-car garage. Lovely flat yard with private patio and a screened porch around front to watch the neighborhood go by. The lower level includes a playroom, full bath and an additional storage room. A very sweet home move-in ready home!
